Our association with Deliver Clever has always been positive.

I personally deal with them on a regular basis as Head of Direct Home Delivery for Dreams and I know that both myself and my staff have always had a positive rapport with them. Their admin systems make our life much easier when it comes to customer queries, and issues have always been dealt with promptly and responsibly.

As one of the many Companies that we are involved with, I can say that Deliver Clever is a shining example of how things should be done and are rated 5 star in my opinion
